

**A Framework for Ecological Resilience *in* District 13**  
The Unified New Orleans Plan  
New Orleans, Louisiana

January 2007

### **Acknowledgements:**

The Unified New Orleans Plan was developed by an extensive team led by the New Orleans Community Support Foundation and the Community Support Organization. Funding was provided by the Greater New Orleans Foundation, Rockefeller Foundation, Bush-Clinton Katrina Fund, and Daimler Chrysler. The listing below shows just part of the vast team that contributed to the building of this plan; each organization and individual was supported by dedicated staff that may not be mentioned.
